## MUSEUM LOAN PACKAGES

### (SEPTEMBER 2014 – JULY 2015)

The Museum Loans Service is run as a partnership between the Isle of Wight Heritage Service and the trustees of Carisbrooke Castle Museum. We deliver and collect our loans to educational establishments on a not for profit basis.

Subscribers to the service will benefit from:

- New loans to assist in the delivery of the new History syllabus.
- The choice of over 400 loan boxes covering a time span of millions of years from dinosaur bones to 1970s platform boots!
- Staff training and advice on how to maximise the educational benefits of using museum artefacts in the classroom across a wide range of curriculum areas.
  - Assistance in curriculum planning.
  - Well researched information about all loan items and suggested teaching activities.
  - Regular up-dates on new loans and museum sessions.

We are offering a variety of usage packages as set out in the table below.
